Dear Sir:-

Inclosed find check for $5.00 to cover 1916 dues of the society.

I thank you most kindly for offer of service along numismatic lines. At present my time is so thourally taken up with other matters that I find but little oppurtunity to indulge in this much loved hobby. However, I am able to keep in touch with events as they come to notice along this line and hope to so continue.

Again thanking you, I am,

Most sincerely yours,

Dear Sir:

The Society's collection of decorations and war medals has so greatly increased during the past two years that the swing-cases for exhibiting it prove entirely inadequate. Unfortunately, one-third of the collection is not on view owing to this lack of space.

The swing-cases are hung on two sides of each of the four columns in the exhibition room, and it has been found practicable, by providing larger bases, to hang five cases instead of the present three to the columns, thereby increasing our exhibition space by two-thirds.

The additional sixteen cases will provide adequate space for this valuable collection, which is probably the largest and most important in existence. The Society feels that it owes to the memory of the late Mr. J. Sanford Saltus, its friend and benefactor, proper provision for the display of the collection in which he took such great interest and to which he contributed the largest part of its treasures.

These new cases, together with the larger bases, will cost approximately $1,000. Two of the Society's members have already contributed $100. each. It would be greatly appreciated if you could see your way clear to assist in the matter of raising the necessary amount for this purpose.

Trusting you will lend your support, and that we may receive a cheque from you made out to the order of The American Numismatic Society, I am,

Very truly yours,

Edward T. Newell
President.

Dear Mr. Fancher:

In view of your generous contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our collection of Indian Peace medals is now truly a remarkable gathering, the like of which exists nowhere else in the world. The Society is, therefore, very appreciative of your loyal and generous assistance which has contributed so largely to the fortunate result as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President
